2019 Vina Robles Vigonier- Paso Robles, Central Coast, California

Growers and makers of expressive, approachable estate wines from Paso Robles, California, Vina Robles owns and farms six estate SIP® Certified Sustainable vineyards in five sub-districts in the region. The Vina Robles lineup includes small lots of a wide range of varieties and creative blends. While adhering to traditional winemaking methods, veteran winemaker Kevin Willenborg implements modern technologies to make his estate wines with minimal intervention. Full-figured and charmingly floral, Viognier is one of the most important white grapes of the northern Rhône where it is used both to produce single varietal wines and as an important blending grape. Great New World examples can be found in California, and this Paso Robles wine is a rich vibrant example of the Rhône varietal. Viognier is planted at the highest point in the estate and benefits from the cooling Pacific breezes that blow through the Templeton Gap in the afternoon. Aromas of peach and mandarin orange zest with hints of honeysuckle and ginger fill the nose. It is medium-bodied with lively peach and citrus flavors leading to a quenching finish. WE 89 PTS, V 89 PTS
